DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10, 12, 13, 31, 34-43, 45 and 46 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-10, 12, 13, 31, 34-43, 45 and 46 are allowable since certain key features of the claimed invention are not taught or fairly suggested by the prior art. In claims 1 and 31, "wherein the picture quality improving unit controls individually the plurality of lamps so that light proportional to the brightness of the each region is supplied to the liquid crystal panel from the backlight". The closest prior art of record however singularly or in combination fails to anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
